

RELEASE FOR PUBLICATION

This Release provides for the publication of an Author's contribution named below (the "Contribution"), to be included in an unspecified issue of *Moebius* ("Journal") by the iARTA research cluster and University of North Texas Press and / or University of North Texas Library (the "Publisher"). The Contribution, an excerpt of the Contribution, or an edited version of the Contribution, may be published on demand (hard copy, print publication) by the University of North Texas Press, and may be published in the on-line *Moebius* (hosted by the University of North Texas Library) at the discretion of the editorial board.

1. COPYRIGHT. Author retains copyright in his or her name for the Contribution and is free to republish the Contribution elsewhere in any form of publication.

2. GRANT OF RIGHTS. Author grants to Publisher the right to print and/or publish, electronically or otherwise, including open access, the Contribution in the English language and throughout the world, including the following subsidiary rights to the Contribution: book clubs; reprint editions by another publisher; translation into foreign languages; selections into anthologies, compilations, and digests; omnibus volumes; microform, duplication, or photocopying; and the right of reproduction and/or storage of a portion of Journal by electronic or other mechanical means and devices. Author grants to Publisher the exclusive perpetual right to commercialize the Contribution and any derivative works throughout the world.

Third parties (neither the Publisher nor the Author) may use, re-use, and reproduce the Contribution, an excerpt of the Contribution, or an edited version of the Contribution, provided that proper attribution to UNT is provided. Third Parties are strictly prohibited from commercializing the Contribution.

Contribution:

3. WARRANTY. Author warrants that the Contribution is an original work of Author; that Author possesses the sole and exclusive authority to enter into this Agreement and to provide the warranties and grant the rights as set forth herein; and that the Contribution contains no matter that is libelous or otherwise unlawful or that invades individual privacy or infringes any proprietary right or any statutory copyright. Author agrees to indemnify, defend and hold the Publisher and the University of North Texas ("UNT"), the University of North Texas System ("System"), as well as Publisher's and the System's Board of Regents, officers, employees, agents, students, successors, licensees, and assigns, and any seller of the Contribution or Journal, harmless against any claims, demands, suits, losses, liabilities, and costs, including but not

limited to attorneys' fees and amounts paid in settlement, arising out of or connected in any way with the publication or sale of the Contribution or any alleged breach of the terms or conditions of this Agreement by Author, including but not limited to any breach of warranty.

4 REMUNERATION. In consideration for entering into this Agreement, Publisher shall provide to Author as total remuneration to be received, one free copy of Journal containing the Contribution. Author may purchase additional copies of Journal by direct order to the Publisher at a discount of _____ from the then-prevailing list price. It is understood and agreed that Author shall not be entitled to and shall not make any claim for any royalties or any remuneration other than as set forth herein in regard to the publication of the Contribution.
